

REMARKS

Deferral of the Terminal Disclaimer is respectfully requested since the other application has not yet issued as a patent.

The suggested change to incorporate the allowable subject matter in the claims has been adopted and, therefore, the application should now be allowable.

With respect to the Section 112 rejections, the offending material has been deleted.

Also, the antecedent basis problem set forth in paragraph 11a have been cured.

Respectfully submitted,

Date: June 18, 2010
